elegance naturally 優雅天然

Nookha may be the new kid on the Hong Kong block, but the eco-friendly brand has already earned a reputation for its commitment to producing beautiful furniture. As stylish as it is eco-friendly, the brand uses bamboo, a sustainable material due to its fast growth, and relies on traditional craftsmanship for a look that's timeless, elegant and beautiful. www.nookha.com

也許對香港市場來說，Nookha是新進駐的公司，但這個環保的品牌在製造華美而罕見的傢具方面，其實早已建立了很高的名聲。品牌的產品既時尚又環保，利用竹子這種生長速度快的可持續物料來製造，再結合傳統優良的工藝，展現出永恆、遊戲和優美的感覺。 www.nookha.com

stitched up 縫紉細節

Expert craftsmanship meets one-of-a-kind design in Tapani's MOD collection, which consists of a series of rocking chairs, ottomans and hammocks formed from meticulously constructed cubes. Each piece features luxurious materials and intricate stitched detailing. The cubes can also be removed, turned around or reassembled for a design that's truly yours. www.tapani.fi

Tapani's MOD系列結合專業的手工和獨一無二的設計，帶來款式出眾的搖椅、腳椅和吊床，全由一個個經過精心製作的立方體所構成，備有豪華的物料和精緻的縫紉細節。立方體的靈活性甚高，可移走、轉動或重組出你喜愛的款式。 www.tapani.fi
